Law Enforcement Officers

Pray that the law enforcement officers in your community would be well equipped to engage in their roles as protectors of the weak, including children who experience abuse or neglect.

Pray that officers in your community would have wisdom and empathy as they interact with children who come from hard places.

Pray for the safety and emotional well being of law enforcement officers as they come face to face with difficult decisions and experiences on a weekly basis in your community.

“

“I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people—for kings and all those in authority . . .”

- Timothy 2:1-2a

Kinship Caregivers

Pray that your church and your state would support kinship caregivers in your community well, whether they are informal, formal, or voluntary caregivers.

Pray that these extended family members would have the emotional, spiritual, financial, and other resources to provide a safe home for children from their family.

Pray that their relationships with the children they take in will flourish and bring security and hope into the children's lives.

“

“They don't get resources, they're not being vocal, they don't have a lot of support. They're just doing it because that's their family.”

-Kim Phagan-Hansel, Author of The Kinship Parenting Toolbox
