## Mentors and Mentees

Pray that God would provide a mentor for every child in foster care in your county.

Pray that uncertainty, barriers, inexperience, and differences between mentors and mentees will not impede meaningful conversation and fruitful relationships.

Pray that mentors will be confident in their ability to communicate worth and love to their mentees because of confidence we have in Christ.

“

*“[Mentoring] just gives [children in foster care] a spark. But it’s more than that. It’s more than just an event. It’s being there consistently...it’s a whole other thing to pour into their lives and helping them, equipping them to be what they can be as an adult and a member of society that is all that God’s created them to be.”*

## Youth Aging out of Foster Care

Pray that every youth who ages out of the foster care system in your community would have the resources necessary to survive and to thrive as an adult living on their own.

Pray that youth would have a support system of adults in your community who will guide them through the process of aging out.

Pray that God would reveal ways for the people and churches in your community to tangibly support children who must age out of the foster care system.

“

*“As children age out of the US Foster System, the statistics are quite alarming ... We serve a God that is bigger than all those statistics. We serve a God that can turn all of those statistics around, but it requires the church to step in the gap on their behalf.”*
