Court Appointed Special Advocates (CASAs)

Pray that God would raise up groups of people within your community to become CASA volunteers so that every child has someone to speak up for them in court.

Pray that CASA volunteers would be well equipped to support children in foster care and have the knowledge needed to speak up for the children.

Pray that CASA volunteers would build meaningful and lasting relationships that would communicate love and worth to children in foster care.

“

“Court appointed special advocate – they are appointed by the judge. Lay persons [who] don’t have to have any particular degrees. They have to have a loving, caring, heart. They are the eyes and ears of the court. They speak for the child.”

-Judge Joyce Warren

Elected Officials

Pray that the President, legislators, governors, mayors and other elected officials in your community will use their power and influence to protect the weak and vulnerable.

Pray that elected leaders would be open to partnership with your local churches to significantly impact kids in foster care.

Pray that local elected leaders would actively fight corruption, human trafficking, abuse, neglect, homelessness, poverty, hunger, oppression, and discrimination.

“

“Having governors involved is huge. They can make sweeping changes very quickly that it would take years for the rest of us to make.”

-Janet Kelly, Former Secretary of the Commonwealth of Virginia
